DOCUMENT RESUME

ED 219 586 CE 033 300

TITLE	Bibliography of Productivity-Related Articles.
INSTITUTION	Conserva, Inc., Raleigh, N.C.
SPONS AGENCY	Office of Vocational and Adult Education (ED), Washington, DC.
PUB DATE	Mar 82
CONTRACT	300-81-0352
NOTE	20p.
EDRS PRICE	MF01/PC01 Plus Postage.
DESCRIPTORS	*Attitude Change; *Economic Factors; Employee Attitudes; Industrialization; *Organizational Climate; *Productivity; School Role; *Skill Development; Social Influences; Technological Advancement; *Vocational Education; Work Attitudes; Work Environment
IDENTIFIERS	Reindustrialization

ABSTRACT

This bibliography contains references to approximately 100 articles on productivity and vocational education's role in improving productivity. Articles, arranged alphabetically by author or title, are further identified by title, place and source of publication, date of publication, and page number(s). A checklist provided in a column in front of the entries denotes whether or not articles contain subject matter that is related to four areas: Skills Improvement, Organizational Climate, Attitudinal Change, and Economic/Social Technological Factors. (YLB)
